

# Tour d' Greenways

Saturday, November 5, 2016 11:00 AM

**Ride Leaders: Dan and Mary Ann Shields**

Start Point: Monon Trail Parking Area  
Rohrer Road (1/2 mile west of Meridian Street), 1/2 mile south from 146<sup>th</sup> Street

## SPECIAL RIDE SAFETY TIPS:

- |  |   |
|--|---|
| <p>1. <b>Cyclists yield to all other trail users!</b> We are sharing the Greenways paths with pedestrians, baby strollers, skaters, dogs, and other cyclists. We must not make any other user feel like they are in our way – they have as much right to use the trail as we do.</p> <p>2. <b>Pass only if the opposite side of the trail is clear.</b> If it's not, you will need to slow to the speed of whoever is in front of you – whether a walker, runner, a skater, or another cyclist – and wait until it is safe to pass.</p> <p>3. <b>Break up the pack into small groups</b> to make it easier to share the trail if there are many other trail users.</p> | <p>4. <b>Always call out when you are passing,</b> even when passing pedestrians. Beware of those wearing headphones – assume that they cannot hear you and are totally unaware of you.</p> <p>5. If the trail is adjacent to a roadway, on the right side, <b>watch out whenever crossing a road for cars turning right</b> who might not expect you to be there. <b>If the trail is adjacent to a roadway on the left side</b> (i.e., next to oncoming traffic), <b>use even greater caution because cars making right turns towards you almost certainly will not expect you to be there.</b></p> <p>6. And... <b>ENJOY THE RIDE!!!!</b></p> |
